O. W. COLLET'S INDEX TO ST. CHARLES MARRIAGE REGISTER

The first marriage is Prevost, Sept. 25, 1792; the last, Porter, Oct. 13, 1863. There was kept a register of non-Catholics; I have indicated them by #, it ends in 1802. I have also incorporated the Marriage Register of Portage Des Sioux in this Index, indicating it by a red cross x. Ratification marriages, which had previously been contracted before the civil authority are indicated by a mark ø. The Church of St. Charles is called "St. Charles Borromeo"; of Portage "St. Francis." Portage begins Aug. 22, 1811; from Mch. 13, 1824 to Dec. 20, 1826 no record of marriage.

There is mention in Cahokia register of Jacques Lamarche
& wife Marie Marcheveque before 1760. There is marge. in Cahokia
register of Ante. Lamarche, widr. Madeleine & son of Lamarche & Marie A.
to Marie Becquet in 1785, which connects all the parties above he, evidently,
being the ancestor. Marie Jos. Lamarche or Lamarchesson was mar'd
to Jos. Ls. Leconte before 1786, and Helen Lamarche to Jos. Grenier
before 1798, as appears both by the Cahokia Register.

Jos. Lamarche of Cahokia, the son of Jno. L. & Marie Daveche (which
I take to be the same as Jacques Lamarche and Marie Larcheveque, above
mentioned) to Charlotte Cardinal, St. Charles, 1795, J. B. Bricaut dit
Lamarche son Jn. Bt. B. dit L. and Charlotte Baudoin, mard. Lse.
Cahokia wid. Pierre Loisel, at St. Louis, 1795; and Joseph, his brother
married Marie Lalonde, St. Louis. 1793, which said Marie afterwards
married Ls. Caillou in 1816 at St. Louis.

In St. Louis baptismal Register I find there was a Jn. Bt. Bricaut
dit Lamarche and wf. Charlotte Louviers in 1772. I think that all the
Lamarche above are of the same family: Bricaut dit Lamarche.
