ST. CHARLES COUNTY MISSOURI MARRIAGES  
1804 to 1854 VI

Carolyn M. Bartels

Dear Fellow Researcher,

This record is like all others during this time period. The letters were made very differently and therefore it is very hard to be accurate.. Please consult the original.

You will find various spellings of what we consider the same family. You will need to use your imagination with these...there are several we just could not be sure of.

We sincerely do hope you will find this record useful in your research project.

Copied from microfilm copy of the original.
